

“Marina Chua’s profound expertise and strategic leadership continue to drive impactful outcomes in the energy and corporate sectors, positioning her as a key figure in advancing legal strategies that align with business goals and sustainability imperatives.” *ALB*

We are thrilled to announce that our **Energy and Sustainability Partner, Marina Chua**, has been recognised as a Rising Star in the **Asian Legal Business’ Singapore Rising Stars 2024** list. This list identifies the country’s most promising legal talents who “demonstrate remarkable potential and have earned consistent client praise.”

Marina's innovative approach to novel challenges and dedication to client success have set her apart in the industry. Her hard work and passion have not gone unnoticed, and we are proud to see her talents celebrated on such a prominent platform.

This prestigious accolade is a testament to her exceptional contributions to the energy sector and her unwavering commitment to excellence. Please join us in congratulating Marina on this well-deserved recognition! We look forward to her continued success and the positive impact she will bring to our team and clients in the future.
